INNOVATEX

HACKGENESIS

HACKGENESIS is a thrilling 9-hour national-level hackathon organized by InnovateX, hosted at GLEC Block 1, GRIET Campus on June 21st, 2025.
It brings together the brightest minds to build, collaborate, and innovate around impactful ideas that can shape the future.

About GLEC

Gokaraju Lailavathi Engineering College (GLEC), formerly known as GLWEC, was established in 2021 by Dr. G. Gangaraju as a self-financed institution under the Gokaraju Rangaraju Educational Society, with the vision of promoting quality education.

Approved by AICTE, New Delhi, and affiliated with Osmania University, Hyderabad, GLEC is renowned for its innovative teaching practices and experiential learning models.

As a sister concern of GRIET, GLEC adopts best-in-class facilities and teaching-learning processes to ensure academic excellence and industry relevance.

Our Vision

To be a world-class engineering college imparting experiential, innovative, and critical skills addressing societal problems — inspiring young technocrats to become globally competent in technical education and research.

Our Mission

- Promote hands-on learning that connects classroom theory with real-world application.
- Foster an environment where novel ideas, research, and innovation thrive.
- Provide infrastructure that meets the latest technology trends.
- Enable skill development to reduce the industry-academia gap.
